**Dear Friend,**

- 1. Are you in need of money or investment capital to start a new business, or to expand your current business?**
- 2. Do you need money to execute your project/contract or to finance other people's projects?**
- 3. Would you like to get the money you need **in 7 days or less** (not weeks or**

months)?

If you answered yes to the above questions, then, this is going to be the most important report you ever read. You need to print out and read through this report now not later.

## HERE IS WHY:

I am absolutely sure that your desire to get the money you need to either start a new business, expand your current business, execute any of your ideas, project, contract or opportunity motivated you to request for this report.

Whether your need for capital, is to **recapitalize** your organization, to **bring a new idea to life or start a new business**, to **expand** your current business, to **execute any project/contract/venture**, to **finance other people's ventures**, to **acquire** a going business with little or none of your money, the solution you need to meet any of these challenges in 7 days or less is contained in the **INSTANT FINANCE SYSTEM PACKAGE**.

That is why you must get the INSTANT FINANCE SYSTEM package today, because, it is the ultimate solution for raising all the funds you need in 7 days or less without borrowing or going to banks/financial institutions.

## YOU NEED ADEQUATE CAPITAL TO NOT ONLY SURVIVE, BUT TO THRIVE IN THE CURRENT ECONOMIC CLIMATE

Entrepreneur's and aspiring entrepreneurs everywhere are plagued with this same problem – **lack of capital**, to get their ideas to the market place, or to finance its growth after it gets there.

It's sad to know and see many great ideas not executed or many more that meet their untimely death and worse still, to see many once-thriving-businesses going under

every day, because of lack of capital to implement them and to keep them alive respectively.

## #1 Problem/Challenge of Most Businesses

If you are like most business owners, professionals or entrepreneurs, whether your business is growing or not, you are faced with one or more of the challenges below:

### Problems/Challenges of Most Business:

1. Lack of capital/under capitalization;
2. **Inadequate sales/customers, declining or near-zero sales;**
3. Excess or problem inventory/stock;
4. **Inconsistent operational performance (i.e. financial ups and downs);**
5. Almost overwhelmingly high cost of running your business;
6. **Low revenue, low cash flow, low profits..;**
7. Debt portfolio with high interest rates etc.

These challenges no doubt limit a lot of business owners from growing their businesses as they should.

However, **the most limiting of all, and the #1 problem/challenge of most businesses is the problem of Lack of capital/under capitalization.**

I know that, your business could have grown beyond where it is right now, if you only had the financial resources and support needed to fulfill your business dream. Do you agree with me?
